- 10.3 All data provided, conclusions reached, or recommendations made by the Company rely on scientific and engineering concepts disciplines and procedures used or adopted by the Company and the Company does not warrant that the same will necessarily be achieved by other parties, or that such conclusions or recommendations will necessarily be valid in circumstances other than those of which the Company has direct experience. Any results are believed to be accurate and reliable subject to the limitations of normal experimental uncertainties.
- 10.4 Any report produced by the Company for the benefit of the Client relates solely to the goods or samples reported on and not bulk from which the goods or samples were drawn.

- 11.3 The Output Material is prepared exclusively for the Client for the purposes of the Contract and may not under any circumstances be used by any third party. The Company is not liable for any Output Material used by any third party and the Client shall indemnify the Company against all liability and loss, damages and expenses awarded against or incurred by the Company in connection with any claims by third parties in connection with such use of the Output Material.
- 11.4 The Company is not aware (to the best of its knowledge) that any Output Material is in infringement of any design rights, copyright or other intellectual property rights of any third party, provided that it does not give any particular warranty in this respect.

12 **Warranty and Limitation of Liability**

- 12.5 The Company shall have no liability to the Client for any loss, damage, costs, expenses or other claims for compensation arising from any instructions supplied by the Client which are incomplete, incorrect, inaccurate, or in the wrong form, or arising from their late arrival or non-arrival, or any other fault of the Client.
- 12.6 The Company shall not be liable to the Client, whether in contract, tort (including negligence), or restitution, for breach of statutory duty or misrepresentation, or otherwise, for any loss of profit, loss of goodwill, loss of business or any indirect or consequential loss or damage (whether caused by the negligence of the Company, its employees or agents or otherwise) which arise out of or in connection with the supply of the Services or their use by the Client.
